**STUDENT SHOUT OUTS!
AND HIGHLIGHTS**

With a little over two weeks before the end of quarter one, of a very challenging year, parents we need your help. We understand the challenges that exist with virtual learning and the added stress learning during a pandemic can have on a student. However, we know that we must work with our students to learn through the moment and come out on the other side as stronger students. We will not let this moment block MCHS students from having dreams and attaining them. Some of our students are struggling. Please take some time to review their powerschool grades, speak to them regarding time management and attending tutoring. Additionally, please check your student's progress if they are enrolled in a Memphis Virtual School class or CBU course. These courses run on different platforms, so you will need your student to access them for you to show their progress. Teachers and administrators have begun reaching out to individual families; however, with just a little time left, we can't wait. Students will not be able to wait until the last minute to recover grades and make-up work. We are stronger together! Thank you for supporting our MCHS compact; families, students, teachers, and admin working together to achieve!

COUNSELOR'S CORNER

Quest Bridge Finalist!

Congratulations **Kiya Watson** for becoming a Quest Bridge Finalist! Learn more about Quest Bridge **HERE**. If a student is matched, the Match Scholarship is offered as part of a generous financial aid package provided by the college that covers the cost of attendance, including: tuition and fees, room and board, books and supplies, and travel expenses!

College Acceptances

Moriah Hulbert accepted to University of Memphis, Middle Tennessee State University, Tennessee State University, UT Chattanooga and UT Martin.

Aaliyah Sharp accepted to University of Memphis.

Congratulations and keep up the great work! Admission and scholarship letters should be emailed to collegeacceptance@memphismchs.org. In addition, acceptance and scholarship letters should be recorded and maintained in Naviance.

9th grade cohorts and upperclassmen check-ins

9th grade checkins - Beginning this week, we will begin our 9th grade Bulldog Connection Meetings. You will receive information regarding pop up meetings we will hold in nearby parks and communities with small groups of 9th graders. The meetings will be outdoors, following all CDC guidelines, while providing students an opportunity to meet a small group of other 9th graders, SGA members, and ask questions/learn more about MCHS!

We are so excited to do this.

Upperclassmen check-in - Our leadership team has begun reaching out to our 10th-12th grade students to check in on them, their progress and make sure they are receiving the support they need!

We need **YOU** to join the **PTSA.**

Together we are stronger!

Magoosh ACT Prep and Naviance

As you know, this year we have rolled out two platforms for our students to plan and explore college opportunities. Magoosh ACT prep is a full online program for students to complete ACT practice tests, watch instructional videos, complete self paced practice, and ultimately increase their score. Naviance is a platform for students to explore college options, find colleges that match their interests/abilities and eventually fill out recommendations/transcript requests/etc... During academic advising, students are given tasks to complete on these platforms. Feel free to check out these platforms with your student, they are great resources!

MCHS Spirit Round Up

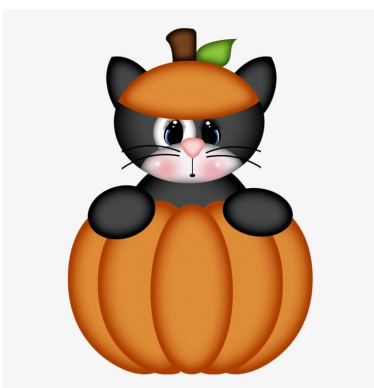

MCHS TRUNK or TREAT DRIVE-BY

October 30, 2020 | 4:00-6:00PM

Show your MCHS "SPIRIT" and drive through!

join the fun - music, fun, treats

This is a drive-by event. Students/families will drive through our front driveway, where admin and teachers will provide a few treats and MCHS swag, for those who wear MCHS spirit gear! Students will remain in their vehicles, enjoying the event safely!

Spanish students' partnership abroad!

Dr. Quintana's Spanish II and Dual Enrollment spanish courses have begun a partnership project with Colegio Santa Maria la Blanca school in Madrid! The project is organized by Dr. Quintana and Adrian Matilla Santos.

We are so excited about this opportunity for our students. More updates and photos coming soon!
