FINISH STRONG

We have had a few amazing weeks at MHCS.

From our academic achievements and recognitions to our athletic teams performing at their top levels, things are in full swing. As we close out the end of Quarter 1, it is imperative to finish strong. My goal is for our students to learn to give 100% every day and make success a habit, stemming from hard work.

As we approach the fall season, students tend to become restless and eager for winter break. We must continue to encourage our students to remain focused and do their part to ensure they are prepared for their academic success. This is a great time of year to discuss study habits, academic goals, social media responsibility, mental health, and self-care. We are stronger together!

Let's make it a great week!

Where's my shirt?!?!?!??

Once students complete **FOUR** study sessions/ACT practices, they will receive an ACT t-shirt to be worn with jeans throughout the month of October!

See the main office for your passport!

Students have access to Magoosh ACT online prep. This program provides additional help and practice for all students to improve on specific skills to prepare for the ACT.

BULLDOG SHOUT OUTS!

Our seniors were given an amazing, well-deserved, gift...Scholarships to Tennessee State University! It was a great day to celebrate with them. We appreciate our board members, central office, and other special guests for participating! Now the work continues...

*Shout out to **Kylan Bowers** and **Taylor Henderson** who represented MCHS this week as SCS Student Ambassadors! Way to leverage your leadership skills!
Go Bulldogs!*

Olivia Watson, an 11th-grade student in ACT Prep, delivered a great quality review game for her peers to help them prepare for the ACT. She got the full class engaged as they all answered ACT test questions for math and science thru her version of the "Monopoly AMONG US" game. Great job!

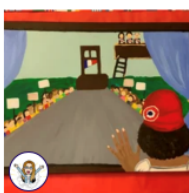

Several of our teachers have had projects funded, through Donors Choose, to support their students in the classroom! We celebrate them going above and beyond to ensure their students have the resources they need to be successful.

Let's Be Camera Ready!

School pictures will be taken on Wednesday, October 6th. Students should wear their normal school uniform, grades 9th - 11th. All of those students who have Ready Graduate status are allowed to dress in their usual "college" smart attire. Students in inappropriate attire, we not be photoed.

Online Courses Count!

Online courses should be treated as traditional asynchronous courses. There is time designated through the school day for online courses. Therefore students have the SAME amount of time to meet expectations in those courses. Students in AP Access for all courses must follow the pacing guidelines as they would for a regular MCHS course. There is not an unlimited amount of time to complete work. If your student is enrolled in a course through MVS, AP Access for all, or Comp Sci. please have them log into their course system to review their progress! Please encourage your student to use their time wisely during their 90-minute block to complete their course work. The end of Quarter 1 is OCTOBER 8th!
