WITH GRATITUDE

This time of year, it is quite easy to get caught up in the hustle and bustle of holidays and breaks. However, I believe it is important to take time for reflection and gratitude towards the end of the year to reset for the next.

I truly appreciate my Bulldogs.

Our teachers and staff have worked tremendously hard to provide sound instruction, while filling voids and providing interventions for skills missed.

Our parents have stepped up to support those efforts by supporting Saturday school, after school tutoring and study resources. Lastly, our students! Our students have kicked it into high gear for this year. In addition to focusing on their studies, so many students are working in leadership positions to encourage the positive climate and culture of MCHS. There is teamwork happening in the forms of study groups, peer tutoring and support. We are Middle College and for that I have much gratitude. Who do you have gratitude for?

Please come out for this important in person meeting as we discuss important topics related to student learning, curriculum, staffing and potential expansion. Additionally, there will be a town hall style Q&A to answer any questions you have. See you there!

**Shout out to
our Bulldogs
Classes of 2024
and 2025!**

77 of our 9th and 10th grade students took the October 23rd ACT. Over 30% of them scored a 21 composite or higher! We are well on our way for 100% of our students to have Ready Graduate status by graduation. Even those who didn't meet their score goals, worked hard and several improved their scores. Let's keep working! The last test of the year is December 11th.

Reminder: All MCHS students are required to take the ACT each year and rising juniors and seniors should achieve a composite of 19 or higher to take full advantage of course offerings and programs.

Updates before you go!

Parents, please be aware:

- Students **MUST** be present and on time daily. We are a choice school, where transfers may be rescinded for several reasons which include:
 - **10 or more unexcused absences, tardies, late arrivals, or early dismissals.**
- When there are no special occasions, which are announced, regular uniform **MUST** be worn.
- The **ONLY** MCHS approved hoodie during the week is the luminary hoodie. Seniors are allowed to wear their senior hoodies on Fridays **ONLY**.
- Our uniform policy can be accessed in the student handbook. Please refer to it for questions/concerns.
- As students gain the privilege to dress "college smart" by becoming Ready Graduate status, they must receive their Ready Graduate band to dress out.
- Cell phones are not allowed OUT in the classroom, it disrupts the learning environment. Students will receive infractions and possibly lose privileges if they continue this practice.

Are you WANTED?!?!?!?

The math department, better known as the math mafia, has posted some of MCHS' most wanted top math scholars! Check out the board to see who is featured. Who will be wanted next?
