FINISH LINE IN SIGHT!

We are two weeks away from the beginning of testing! This is the time to buckle down and focus on having a great end of the year. Our students have been working extremely hard to prepare to close out a solid school year. Please encourage them to focus and leverage all of their time in class. We need them to stay off cell phones, stay engaged in their lessons, arriving on time and every day, in uniform. It's the little details that prepare students to maximize their day. We sweat the small stuff, so it doesn't become big issues. Students must leverage time management, testing strategies and get plenty of rest! We are looking forward to celebrating their success in May, once we are done with testing. We are Middle College!
