

The Wolverine Way- One Team, One Goal!

Teacher: Marshon Harris

Week of: September 18th-22nd, 2023

Subject: Functional Skills

Lesson Topic: Vocational Work Task

Lesson Objective: (What specific skill/concept do you want your students to learn today?)

SWBAT use work bins to complete various work tasks such as: discrimination and assembling /packaging.

Activity: (Whole class, groups, partner, or hands on activity to review what they have learned)

- Students will retrieve a work task bin.
- Students will make sure all necessary materials are in place.
- Students will complete work tasks.

Independent Work: (Check for understanding/retention of information)

- Students will review their work tasks upon completion.
- Demonstrate and their work task (if needed).

Wrap up/Conclusion: (Review what they've learned today!)

Discussion of exploration of job possibilities aligned with certain skill/task.
