

MITCHELL HIGH SCHOOL TIGER NATION NEWSLETTER SPRING 2024- QUARTER 3 ACADEMIC SHOWCASE

"Social Studies Dept."

During Quarter 3, we will cover WWII and the Cold War. While teaching about WWII students will learn the rise of fascism and totalitarianism after World War I, the causes and course of World War II, and the military, economic, and political effects of the war. Students will also analyze events and changes that resulted from the post-World War II rivalry between communist and democratic governments during the Cold War.

This will be an interesting topic for students as they will learn about the rise of fascism and totalitarianism after World War I, which was a complex occurrence that emerged in several countries, including Italy, Germany, and Spain. Students will learn that fascism is a political ideology that emphasizes the importance of the state over the individual and is characterized by dictatorial power, extreme nationalism, and suppression of political opposition. Totalitarianism, on the other hand, is a form of government that seeks to control all aspects of society and the economy, including the private lives of citizens. Students will also learn about the causes of World War II, which was caused by a combination of factors.

STAR STUDENT, SENIOR:

CHRISTOPHER HUBBARD

Chris is a senior here at Mitchell High, his hobbies include rugby, baseball and most importantly football. His favorite subject is Biology because he has always loved science; this is the main reason he was selected to be part of the St. Jude Immersion Program. Upon graduation, his goal is to receive a dual-scholarship for academics and athletics.

Chris comes to class on time and works hard to complete his lessons. His academic focus, quality of productivity, and class participation in the learning process is impeccable. He is a great all-around student athlete. He embodies the 5'Ps!

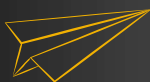

STAR STUDENT, JUNIOR:

DESTINY WHITE

Destiny is a Junior here at Mitchell High, her hobbies include listening to music and performing with her majorette team. Her favorite subject is Math. After graduation, she plans to attend Tennessee Health Science Center and major in nursing. Ultimately, she would like to become a pediatrician.

She has a passion for helping others in and out of school. She was selected by her junior teachers because she comes to class on time every day, completes her work with exemplary grades, asks content related questions in class, and is respectful. Destiny embodies productivity!

"PUNCTUAL-PRODUCTIVE-PREPARED-POSITIVE-PERSEVERANT"

VIP-STAFF OF THE QUARTER

ELA TEACHER, MRS. CHANDLER

This is Mrs. Chandler's first year as an educator. She believes that educating the youth is her calling. Before entering into the field of education, Mrs. Chandler worked in the business sector.

I am grateful to serve as the ELA I Instructor at Mitchell High School, the home of the "Mighty Tigers!" Teaching was my dream deferred. I decided to go into teaching because of my special needs grandson who was born with a slight learning disability. I started learning how to help him and my passion for teaching was reignited. I enrolled in college in 2008 to pursue what I felt like I was ordained to do, teaching.

Mrs. Chandler was chosen by her peers because she is dedicated to improving her skillset as an educator. She is punctual, works hard and passionate. She stays late and comes in early. She is sincerely trying to provide high-quality instruction to our English I students.

Congrats Mrs. Chandler!

STAR STUDENT, SOPHOMORE:

NYTERIA WOOTEN

Nyteria is a sophomore here at Mitchell High, her hobbies include listening to music and the field of cosmetology. Her favorite subject is Math. She loves Math because it challenges her to focus and learn new concepts. Upon graduation, she would like to be an entrepreneur and start a nail design business.

Nyteria was selected by her sophomore teachers because she comes to class on time and is always on task. She has an excellent academic performance and is well behaved in class. Nyteria embodies the 5'Ps!

STAR STUDENT, FRESHMAN:

TEDRINO SAMPSON

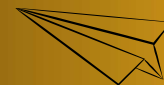

Tedrino is a freshman here at Mitchell High, his hobbies include playing football and gaming. His favorite subject is English. Upon graduation, he would like to attend college and major in computer engineering. He would like to attend MIT, LSU or The University of Houston.

Tedrino was selected by his freshman teachers because he is always punctual and never late to class. Tedrino always comes to class prepared, pencils, paper, great attitude, and on time. He is very respectful and participates in class discussions and always submits his assignments. His work is reflective of his work ethic and attitude.

Tedrino embodies Punctuality and Preparedness!
