

MT. PISGAH MIDDLE SCHOOL

SUMMER ACADEMIC PLAN

2023

Greetings Parents!

It is important for students to continue to practice the skills they learned this year. We recommend that our students continue to log into **i-Ready** and engage in Reading and Math lessons, so they are prepared in the fall.

In addition, parents are able to pick up passports which include access to museums and other educational activities that will support continuous learning. These cards must be activated by registering at www.901StudentPassport.com before they are used. After students activate their cards, they will be eligible to visit thirteen attractions throughout summer break at no cost to the student or parent. Students MUST be accompanied by a parent when presenting their cards.

SUMMER READING LISTS BY GRADE LEVEL

We have provided a list of recommended summer readings by grade level below. Please encourage your child(ren) to read at least two texts from the reading list below and provide you with a written summary of the text:
