Expectations & Support

Chronic absenteeism is defined as a student missing 10% or more of the days the student is enrolled **for any reason**, including excused absences and out-of-school suspensions.

Do you know if your child is a
Champion, Winner, or
Participant?

- ✓ **Teachers:** Teachers record attendance for **EVERY** class period. This information is available in PowerSchool immediately, **which means parents can see attendance in PowerSchool the second the teacher submits.**
- ✓ **District :** When a student has accumulated three unexcused absences, the District sends parents a warning notice.
- ✓ **Counselors:** When a student has **missed 5 days**, the Guidance Counselor will conduct a SART meeting to develop an attendance support plan.

Through our RTI2-B plan, we strive to promote and support appropriate behavior in students by implementing prevention and progressive intervention strategies, services, and supports within the school. Our RTI2-B plan is consistent with district policies and applicable laws.

- ✓ **Teachers:** Received the RTI2-B expectations during in-service and taught students the RTI2-B expectations during the 1st week of school. Behavior expectations are posted throughout the school.
- ✓ **Teachers:** Use preventive measures with their students to reduce misbehavior. If students do not respond appropriately to preventive measures, teachers begin progressive interventions. Conduct: E: 0-1 infractions (student reminder of expectations), S: 2-4 (student conference and parent contact), N: 5-7 (parent contact/conference and guidance referral), and U: 8+ (parent conference and office referral). Students are afforded an opportunity to restore their conduct mark.
- ✓ **Counselors & Behavior Specialist:** Conference with students, develop a plan.
- ✓ **Administration:** Issues the appropriate disciplinary consequences.
