

Attention Parents

If you missed the deadline to apply for P-EBT you may now be able to pick up your card.

What is P-EBT:

Pandemic EBT (or P-EBT) provides financial assistance to replace school meals that were missed during the months of March, April, and May due to COVID-19 school closures. P-EBT can be used in grocery stores and for purchases with other retailers that accept EBT cards to buy food items for your children.

Why am I Getting it?

The Tennessee Department of Human Services worked with your school to make P-EBT cards available to families that qualified but missed the August deadline to apply. Your family may qualify for P-EBT if your child(ren) attended this school last spring or if they received meals through the National School Lunch Program

Where do I go?

Qualifying parents who want to participate are encouraged to pick up your card at the school your child(ren) attended last spring. Ask your school administrator to see if you qualify.
