

# Margaret Angela Franklin

Margaret Franklin is a native Memphian who now resides in Woodbridge, Va. She is a proud graduate of Whitehaven High School.

Margaret made history as she was one of two women elected and sworn in as the first African American women to serve on the Prince William Board of Supervisors. Since her 2020 swearing in ceremony, she has been elected as Chair of Pro Tempore of Prince William County's Board of Supervisors and Chair of OmniRide, Prince William County's local transportation system.

We also have the potential to be the next Board Supervisor. If Margaret can do it, so can we.
