INTERNATIONAL STUDIES PROJECTS

International Studies projects were due last **Friday, March 22, 2024, and the projects looked great!** If your child did not submit a project, they may submit a project this week to receive a grade. However, there will be points deducted. **The last day to submit a project will be Friday, March 29th.**

Students are researching the government and economy of their country for this project. Each project includes a writing piece. Any project turned in after March 22nd will be considered late. Ten points will be taken off the first day it is late, and another ten points (=20 points) will be removed from the final grade if it is late a second day or beyond. Please reach out to your student's teacher or Miss Hill with any questions or concerns (hills@scsk12.org).
