### **AFTER SCHOOL TUTORING**

We have enjoyed working with your students after school this year to support them in Reading and Math. Students have shown growth based on the extra instructional support students received after school. The last day for After School Tutoring is Tuesday, April 9, 2024. After this date, there will not be any more tutoring after school for students.

### **TCAP TEST TAKING TIPS THE NIGHT BEFORE FOR PARENTS**

Parents, TCAP is right around the corner. Please make sure your child is on time and present each day for TCAP. Students in grades 2<sup>nd</sup>-5<sup>th</sup> grade will be tested April 15<sup>th</sup>- April 26<sup>th</sup>. Please review some helpful tips below to better prepare your child for TCAP:

- Get a good night's sleep. Go to bed on time. The more rested you are, the better prepared you will be to take the test.
- Limit video games the night before. Do not stay up late playing video games.
- Plan ahead. At night, lay out your clothing, backpack, lunch, and all items you need for the school day to lower stress on the morning of the test.
