INTERNATIONAL STUDIES PROJECTS

"Due to the recent inclement weather and school closure, the due date of the International Studies Q3 Project has been extended. The new due date is **Friday, March 22nd, 2024**.

Students are researching the government and economy of their country for this project. Each project includes a writing piece. Any project turned in after February 23, 2024, will be considered late. Ten points will be taken off the first day it is late, and another ten points will be removed from the final grade if it is late a second day. Please reach out to your student's teacher or Miss Hill with any questions or concerns (hills@scsk12.org).

CAFETERIA/LUNCH EXPECTATIONS

Parents, please ensure your child only brings water to school to drink during the school day. Students will not be allowed to drink sodas, gatorades, etc. In addition, please read the school-wide expectations for lunch below from the Peabody Parent/Student Handbook located on page #24. Students must throw away any food items remaining in their lunch boxes. Students are not allowed to take any leftover food back into the classroom. Students may carry their water bottles throughout the day as long as it contains water only.

CAFETERIA/LUNCH

No open food can be taken out of the cafeteria at any time. Students are not allowed to bring can drinks, aluminum can foods, glass bottles, or large food/beverage items to lunch. Please make sure food/beverage portions are sized for individual helpings. Please avoid bringing any drinks with caffeine. Students are not allowed to share food. If students do not finish eating lunch, all remaining food must be placed in the trash. Students will not be able to take any food out of the cafeteria. Cleanliness is always stressed in the cafeteria. Students are responsible for helping to keep the cafeteria clean. Each class will be responsible for cleaning and picking up paper under and around tables and trashcans.

If parents wish to bring pizza or any food to share with the classroom, the pizza/food must be distributed in the classroom; not in the cafeteria and prior arrangements must be made with the teacher for approval.

The school has water filler stations around the school. Students may bring water bottles to school to refill throughout the school day.

SCIENCE FAIR PROJECT!

It is time again for our students to become Scientists! Science Fair Project Packets will come home with students in grades 3rd -5th tomorrow. Students in grades KK-2nd will complete their Science Fair Project in class with the teacher. Please follow the timeline in grades 3rd -5th Science Fair Packets to ensure items are submitted by the required date. The first assignment (Submit their Topic) is due Tuesday, February 13th. All Science Fair Projects are due February 29th and will count for two grades- Writing and Science.

DUE THIS WEEK BY TUESDAY, FEBRUARY 20th FOR GRADES 3-5 ONLY: SCIENCE RESEARCH PLAN
