

Vice President Kamala Harris

Kamala Harris is an American politician and attorney who is the 49th and current vice president of the United States. She is the United States' first female vice president, the highest-ranking female elected official in U.S. history, and the first African American and first Asian American vice president. She is, however, determined not to be the last.

Her legislation to preserve Historically Black Colleges and Universities was signed into law, as was her effort to infuse much-needed capital into low-income communities during the COVID-19 pandemic.

You too have the potential to be the next Vice President of the United States of America – If V.P. Kamala Harris can do it, so can you.
