PEER POWER TENNESSEE VIRTUAL LEARNING LAB

funded by TN Community CARES Grant and administered by the Tennessee Department of Human Services and the Women's Foundation of Memphis.

Math | English | ACT | College Coaching | Admissions

Peer Power is proud to announce the All New "Tennessee Virtual Learning Lab" which is a free after school enrichment program open to all high schoolers in

**TUTOR + MENTOR
= SUCCESS COACH**

Peer Power Success Coaches will operate the learning lab from the campus of University of Memphis, providing grade specific assistance.

9th and 10th Grades:

- Subject Content for EOC tested subjects that aligns with Tennessee standards.
- Virtual cohorts will be divided by grade and subject.
- We will offer sessions on Algebra I, Algebra II/ Geometry, English I and English II
- All sessions will run concurrently so students can select which session to attend according to the courses in which they are enrolled.
- Student may attend both an English and Math session if they so choose.

Sample Schedule:

Student will choose to attend one topic for each session:

3:30-4:15:	Session 1
4:15-5:00:	Break Out Group
5:00-5:45:	Session 2
5:45-6:00:	Break Out Group

11th and 12th Grades:

- ACT Prep- English, Reading and Math/Quantitative portions.
- The College Experience
- Research possible school choices in accordance with the National Association for College Admission Counseling Junior Guidelines. (Juniors)
- Concrete steps needed to apply for college. (Seniors)
- Career Readiness Standards
