

Department of
Education

Dear Parent or Guardian,

We are writing to inform you that Gardenvue Elementary School was identified for Targeted Support and Improvement (TSI) as required by ESSA and the U.S. Department of Education during the 2017-18 school year; and will therefore maintain that designation during the 2021-22 school year.

Our school is working hard with the district and the Tennessee Department of Education to increase student performance by increasing student support with instruction at our school. We encourage you to help by participating in the development and implementation of our school improvement plan and/or by joining the PTO and volunteering to read and/or tutor students.

Sincerely,

A handwritten signature in black ink that reads "Jenae Scott-Robinson". The signature is written in a cursive style.
