

PowerSchool Mobile

You can download PowerSchool Mobile to your smartphone to see your students' grades, attendance, or any discipline issues.

If you have an android, go to Google Play.

If you have an iPhone, go to the App Store.

Download the App

The District Code is GWHX (All capital letters).

You must then sign in with the username and password that you used to register your student for this school year.

If you click on the account setting tabs, you can set up your notifications.
