MANDATORY DRESS SUGGESTIONS

Tops
Men – The best choice is a COLLARD DRESS shirt and TIES to showcase a professional and tidy appearance.
Women – The best choice is a scoop-neck top with a modest cut or a collared blouse.

Bottoms
Women are best wearing either dress pants or a shorter skirt underneath the gown, while men should choose khakis or dark-colored DRESS pants.
Avoid brightly colored bottoms if you choose to wear dress pants or a longer skirt, as they can be seen below the hem of the gown and stick to darker colors. For pants and skirts that are SHORTER in length and CAN'T BE SEEN a BRIGHT color is acceptable.
Skirts should be relatively narrow – no wider than an A-line style – as puffy skirts can add volume to an already voluminous gown.

Footwear
Women should wear flats or heels no higher than 3 inches. This works best as you walk up the steps and across the stage.
Men should WEAR DRESS SHOES preferably brown or black.
Best Regards,
