

FAST FACTS: SCS Vaccination Site Give It a Shot (Nov. 19-20)

Which vaccine will be given?

The Pfizer-BioNTech COVID-19 vaccine will be administered. Children ages 5 through 11 will receive a separate vaccine formulation denoted with an orange cap, and will receive the vaccine with a smaller needle. A limited number of Pfizer vaccines and boosters for ages 12 and up will also be available. For additional information on the vaccines, visit www.cdc.gov.

Who's eligible?

Priority will be given to SCS students ages 5-11. Based on availability, additional vaccination appointments may open for all Shelby County students and their families.

How do I sign up for an appointment?

Priority will be given to SCS students ages 5-11. Eligible students and families will receive a non-transferrable appointment link. Based on availability, additional vaccination appointments may open for all Shelby County students and their families.

Where is the vaccination event taking place?

Board of Education (160 S. Hollywood) Appointments are required. Sign-up information and details (including appointment link and time) will be shared directly with parents/guardians of eligible students.

What do I need to bring to my child's appointment?

The child's parent or guardian will need to show ID in order for the child to receive the vaccination. The child's parent or guardian must provide proof of the child's age (ex. birth certificate or immunization records). A parental consent/screening form will be provided by SCHD on the day of your appointment. View and print the form at www.scsk12.org/vax to complete in advance.

Will SCS provide an opportunity for my child to get the 2nd COVID-19 vaccination dose?

Yes. As with adults, the Pfizer-BioNTech vaccine for students ages 5-11 is two doses, spaced 21 days apart. SCS has reserved Friday, December 10 and Saturday, December 11 to partner with SCHD to provide second doses. More details will be shared closer to the dates.
