

Winchester Elementary Annual Plan (2024 - 2025)

Last Modified at Nov 04, 2024 12:57 PM CST

**[G 1] Reading/Language Arts - Winchester Elementary School will increase RLA on-track and mastery proficiency rates for grades 3-5 from 48.8% in 2023 -2024 SY to 50% in 2024-2025 SY on TCAP Achievement.**

**\*\*Effective Instruction | Best for All Strategic Plan alignment: Academics\*\***

Effective instruction is built around standards-aligned, high quality curricula and assessments that measure student progress and provide timely information regarding student achievement and growth. Providing students with rigorous, standards-aligned instruction delivered through best practices will help to ensure that all students in Tennessee's high opportunity schools have access to a comprehensive educational system which will prepare them for the career path of their choice.

**District Turnaround Plan Goal**

[G 3] Build teacher capacity and content knowledge so that instruction reflects the District's four Instructional Practices from 46.3% in Spring 2024 to a minimum of 70% in 2025.

A positive school culture and climate creates an environment that promotes a safe, nurturing environment and promotes effective teaching and learning. Schools with a positive culture and climate support the emotional, physical, mental, cognitive, and social development of all students and staff. Additionally, a dedicated organizational infrastructure accelerates rapid school turnaround by providing on-going, tailored, and strategic support for all stakeholders.

#### District Turnaround Plan Goal

[G 1] CSI schools will reduce chronic absenteeism rates from approximately 36% in 2024 to approximately 26% in 2025 with clearly defined systems and operating procedures for monitoring identified at-risk and chronically absent students weekly.

**\*\*Effective Instruction | Best for All Strategic Plan alignment: Academics\*\***

Effective instruction is built around standards-aligned, high quality curricula and assessments that measure student progress and provide timely information regarding student achievement and growth. Providing students with rigorous, standards-aligned instruction delivered through best practices will help to ensure that all students in Tennessee's high opportunity schools have access to a comprehensive educational system which will prepare them for the career path of their choice.

**District Turnaround Plan Goal**

[G 3] Build teacher capacity and content knowledge so that instruction reflects the District's four Instructional Practices from 46.3% in Spring 2024 to a minimum of 70% in 2025.
