Arrival Procedures-

Our doors at Whitehaven Elementary open at 9 AM, and students are expected to be seated in class at 9:15 AM.

Frequently, students are left at school well before 9:00 am. Car Riders may not be dropped off early.

No adult supervision is provided at this time, and students are not allowed to be left unsupervised.

Please be aware that your child's safety is at risk each time a student is left unsupervised before school.

We strongly urge parents to plan for timely transportation of their students.

Please plan accordingly when sending walkers to school as well. Whitehaven Elementary offers before-school and after school programs to support arrival and dismissal needs.

The YMCA's Before School program starts at 6:30 am and after care ends at 6:00 pm. Dismissal begins at 4:00 PM.

Dismissal Procedures-

Walkers

Walkers will be escorted out the side door at 4:05. They will be escorted down the sidewalk where they will be met by the crossing guard. The crossing guard will then escort students across the street to be picked up by parents. Parents should be across the street by 4:10 to retrieve their child. If no one is there to pick up their child by 4:10, the crossing guard will escort them back across the street to Whitehaven. The parent will then have to come inside to pick up their student.

Car Riders

ALL STUDENTS MUST BE RETRIEVED BY PARENTS THROUGH THE CAR RIDER LINE. Parents are not permitted to park and walk up to retrieve their child. It is essential that dismissal procedures are followed as our goal is to maintain a safe environment for our students.

To avoid confusion and keep your child safe, if you must change your child's transportation for the day, please send a note to your child's teacher, or reach out to them on Class Dojo. We are unable to make changes over the telephone. If the child does not bring a note to school or you don't contact their teacher, the child will go home his/her usual way.

Tardies/Early Dismissal/Late pickups

Students miss valuable instructional time when they are late to school or check out early, and it violates the school district's attendance policy. Doctor's notes are required for tardies or dismissals to be counted as excused.

Students will be considered tardy at 9:15 am. and must enter through the front doors of the school. All students who are tardy MUST be checked in by a parent in the entrance hallway. Excessive late check-ins and early check-outs (five (5) or more per semester) will result in a parent conference with administrators. Parents, please be on time to pick up your students. We began dismissal at 4:00 pm. You are considered late if your child has not been picked up by 4:30 pm. You must come into the front office to sign out your child after 4:30 pm. Excessive late pickups will warrant a parent conference with the principal.

VIP Folders go home every Friday with homework and other pertinent information.
