3rd Grade

Week Of: 01/09-01/13

Literacy and Math

Literacy

3.RL.CS.5 SWBAT identify parts of stories, dramas, and poems using terms such as chapter, scene, and stanza IOT describe how each successive part builds on earlier sections.

Mathematics

3.NF.A.1 SWBAT explore and reason about fractions using visual fraction models IOT understand that a fraction is formed when a whole is partitioned into equal sized parts/areas. One of these equal sized parts/areas is called a unit fraction where b represents the number of equal parts in which the whole is split

Science

3.ESS2.3 SWBAT collect and organize weather, data for a particular area IOT describe what each data set represents

Social Studies

SWBAT critically examine a source by summarizing significant ideas IOT examine how long hunters (e.g., Daniel Boone and William Bean) created interest in land west of the Appalachian Mountains

SWBAT construct and communicate arguments supported by evidence IOT describe life on the Tennessee frontier and reasons why settlers moved west.
