

# Return **STRONGER**

## **FAST FACTS - Updated COVID-19 Protocols** **FOR THE 2021-22 SCHOOL YEAR**

The American Academy of Pediatrics released new COVID-19 guidance for schools that supports in-person learning and recommends universal masking in school for everyone over the age of 2, regardless of vaccination status.

### **Continued Protocols**

#### **Masks**

- Masks should be worn indoors (schools) and on buses by all employees and students, regardless of vaccination status **until further notice**.

#### **Water**

- Bottled water will be provided and students are strongly encouraged to bring water containers.

#### **Social Distancing**

- Students will socially distance to the extent possible in classrooms, hallways, common spaces, when moving through the food service line, and while eating.

### **Updated Protocols**

#### **In-Person School Activities, Sports/Extra Curricular**

- School activities for employees and students (before, during, and after school), including athletics, will resume, and participants will follow District COVID-19 protocols.
- Normal District-approved practices and processes relating to field trips will resume, and participants will follow COVID-19 protocols.

#### **Playgrounds/Recess**

- Playgrounds will reopen for students with social distancing to the extent possible.

### **Devices**

- Like textbooks and supplies, devices should be charged and brought to school daily.
