

KINGSBURY HIGH SCHOOL NAF ACADEMY

COLLEGE, CAREER AND TECHNICAL EDUCATION

NEW Academy of Engineering Technology Academy of Health Science Academy of Information Technology

In August, a new NAF academy will be implemented at Kingsbury High School. Also, two new cohorts of 30 students will be inaugurated in the Health Science and Information Technology academies. NAF students are a part of a national network with access to many exclusive opportunities, including scholarships and preferential hiring at prestigious multinational companies.

The benefits of being a NAF student include:

- Access to scholarship opportunities for undergraduate and graduate school
- Curriculum developed with the help of industry leaders
- Potential paid internship opportunities
- Opportunities to network with businesspeople
- Mentorship opportunities with successful NAF alumni
- Exclusive NAF networking and alumni events
- Preferential hiring at companies that recognize NAFTrack Certification
